Example spread sheet with the State of Wyoming form

Instructions: Enter the data in the yellow boxes above and below. Once you have ensured that all of the data elements are correct, select/push the "MMS-2014 Transmittal Letter" button to print the Transmittal Letter. Then select/push the "MMS - 2014 form" button to create the MMS-2014 CSV format file. Then select/push the "State of Wyoming - Form M2E" button to create the M2E text file. These separate files should then be sent to the MMS and the State of Wyoming as provided in the instruction package. The RIK purchase amount due is shown in the green box noted as "RIK Value". For modifications insert at least two new lines (one with a negative amount of the original line and one for the new line). Give the new lines a new line code. For example line code B0100 would become B0100M1 and B0100M2. Insert the proper amount of lines in the 2014 Work Sheet and 2014 sheet.
